

All Saints Catholic High School

HEADTEACHER: Mr A. McGuinness

12 April 2017

Dear Parents/Carers,

I hope you and your family have an enjoyable, restful and holy Easter break. As we begin the final term of this year we reflect upon what has been achieved already during this academic year.

Enrichment opportunities are an integral part of life at All Saints; they provide our students with real learning opportunities. Such opportunities have included visits to Jaguar Land Rover, Chester Zoo and Liverpool City Centre.

Many of our students also benefit from real 'world of work' opportunities – Lloyds' 'school to work' programme, QVC assessment centre plus our sixth form have been working with the accountancy firm KPMG.

I am pleased to report that Year 11 and the Sixth Form are preparing well for their forthcoming examinations. School will be busy over Easter with Year 11 revision classes.

I am also pleased to report that £450,000 worth of building work will commence on Monday 19th June 2017. We will return in September 2017 to a full complement of traditional teaching rooms.

As a school we continue to build upon our successful July 2016 Ofsted Inspection.

Improving school attendance is a key priority at All Saints High School and the support of parents is crucial to achieve this goal. I would like to ask parents/carers to note the following.

- Absence of 5 days or more will only be authorised with a medical note or evidence from a family doctor or other medical practitioner.
- Persistent lateness to school may be classed as absence.
- Holidays during term time will result in an automatic fine.

Staff and children return following the Easter break on Tuesday 18th April 2017.

Thank you for your continued support.

Yours sincerely

T McGuinness
